

Staff Development Committee Minutes Fall 2018

The staff development committee met (via video conference) at 3pm on October 4, 2018. Members present included: Ed Vineyard, Chair; Trent Misak; Amy Hartling; Candy Oller; Vanessa Ailey, Jamie Haney, and Dianna Ditmore.

The focus of the meeting was the planning of Staff Development activities for fall 2018 and spring 2019 semesters. A list of potential ideas was created and the decision was made to have IR create a survey that would be sent out to all staff to see which events they were most interested in.

The survey was sent out in late October and the results were shared with the committee by email. The committee decided to schedule a speaker to come to each campus to present on “Remarkable Customer Service” in January. The speaker is Rhett Laubach.

In addition to this event, the committee also scheduled an “Investing for Retirement” seminar by Edward Jones, Inc. on November 29th and 30th, and a video conference from OTRS on “Planning for Retirement” on December 6th.

The committee is currently working with Autry Tech to develop 2-3 more professional development events for the spring semester.
