

**NORTHERN OKLAHOMA COLLEGE  
INSTITUTIONAL SCHOLARSHIP PROGRAM  
TASK FORCE  
February 15, 2018**

**PURPOSE/GOAL:** The purpose of this email is to update you on changes to the Institutional Scholarship Program. The Institutional Scholarship Program – Task Force Committee met on May 11, 2017, December 8, 2017 and January 23, 2018, with the goal of refining and improving the Institutional Scholarship Program within the constraints of our current and future resources. The task force was charged with reviewing existing policies and awards, providing input, and making recommendations for the Institutional Scholarship Program to be implemented for the 2018-2019 academic year.

**COMMITTEE MEMBERS INCLUDED:** Cathy Moore, Suzi Brown, Diana Watkins, Bradley Jennings, Tammy Davis, Kerri Gray, Cheryl Evans, Anita Simpson, Jeremy Hise, Jason Johnson, Rick Edgington, Pam Stinson, Blair Turney, Shannon Cunningham, Sherry Alexander, Shannon Cunningham, Ed Vineyard, Terri Sunderland, Tiffany Meacham, Holly Lee, Janet Jarvis, Dineo Heilmann, Edward Dixon, Tricia Moore, and Sheri Snyder.

**OUTCOME:** With reduced revenue due to the state’s economic environment, difficult decisions had to be made that will reduce dollar amounts dedicated from the college budget to the Institutional Scholarship Program. Efforts were made to continue providing support to students and to help activities within the college to attract outstanding participants. It was necessary to combine options and suggestions to arrive at needed cost savings.

**ACTIONS TAKEN ON ITEMS DISCUSSED: (Effective Fall 2018)**

- For FY2018, there will be no reductions in the Freshman Regents and Sophomore Regents scholarships in order to maintain need-based percentage required.
- Based on the FY2018 budget, a 5% reduction in resident tuition waivers (subject to the 3.5% of budget limitation) will be applied to all scholarships across the board. (Overall decrease of \$50,185)
- Based on the FY2018 budget, an average of 10% reduction in cash outlay (fees, room and board, and books) will be applied to all scholarships across the board. (Overall decrease of \$135,176)

The goal of the institutional scholarship program is to be divided into two areas: 50% merit-based and 50% need-based. Merit-based scholarship awards recognize and reward excellence to students who have demonstrated exceptional academic achievement or who have demonstrated talent in a participation program. Currently, our program is 55% merit-based and 45% need-based.
