Final Exam Overload: If a student has three or more final exams in one day, the student can request rescheduling. See instructor for more information.

Conflicts will be resolved on the basis of the: 1. Credit hours in the course, with the course carrying the most credit hours taking precedence. 2. Time of first class meeting in the week (as printed on the student's class schedule), with the class meeting first taking precedence.

Location: Exams will be in the regular place of meeting unless otherwise stated by the instructor.

Exceptions to this schedule may be requested by the instructor.

***OSU Students enrolled in NSCI 2114 or PHYS 1214 have common finals during this time. Students should work with NOC instructors to identify an alternate testing time if an overlap occurs.**
