## **PROGRAM TRANSFER AGREEMENT**

### **SECTION I: *REQUIREMENTS***

1. Courses in this agreement are accepted at NWOSU, as specified, and apply to the student's baccalaureate degree program in the same manner as non-transferring students. Minimum grades required to meet requirements are the same for courses taken at NOC and courses taken at NWOSU.
2. Upon transfer, continuously enrolled students under this agreement may petition to meet program requirements from the NWOSU catalog in effect the semester they started at NOC. Students, transferring and non-transferring, may need to complete additional coursework in order to meet current certification requirements. NWOSU courses are continuously assessed and changed to meet changing educational needs. Transfer students will receive the same treatment and protection relative to course changes afforded to non-transferring students.
3. Academic forgiveness provisions (repeat and reprieve) granted by NOC will be honored by NWOSU.
4. The standards for graduation will be the same for students transferring under this agreement as for non-transferring students, except that general education/university core requirements for students transferring under this agreement will be considered met unless a course is a prerequisite to a program requirement.
5. Oklahoma State Regents for Higher Education minimum standards for a baccalaureate degree will be met.

### **SECTION II: *UPDATES/REVIEW/DISCLAIMER***

This agreement is subject to change by legislative action, the Department of Education, the Regional University System of Oklahoma, the Oklahoma State Regents for Higher Education, or external governing/accrediting agencies.

This agreement will be reviewed annually by the appropriate department chairs at and NWOSU and NOC and revised according to university and community college procedures. This review will take place in the spring, in order to incorporate program changes for the subsequent academic year.

Any revisions to the original Program Transfer Agreement will be communicated to all signatories of the original agreement as well as appropriate individuals on both campuses.

This agreement may be discontinued by either institution as need arises upon written notification to the other institution prior to the termination date.

Both institutions are committed to the partnership and the success of the student in pursuit of this degree program. Both parties will work toward ensuring that currently enrolled students have the opportunity to complete their degree programs effectively and efficiently.
